The Girls Varsity Basketball Team had a successful season in that when other teams played us hard we rose to the occasion. The team will be losing a lot in experience and talent due to the graduation of six seniors: Paula Hosier, Elaine Finn, Leslie Stark, Thereasa Book, Lesia Beam, and Pam Nolot. This will leave a definite challenge to next years team.

Basketball Team Grabs Five

I enjoyed very much my first year as Varsity Basketball Coach. The young men on the team were always willing to work hard and have a positive attitude. This in my opinion was a way to be successful. They never gave and kept fighting to win.

The team consisted of Seniors Tony Akers, Frank Berryman, Jerry Kirchgessner, Rich Hurst, Richie Rice, Gary Smith, Bob Scott, and Tony Wagoner and Juniors Randy Hein and Doun Nunn.

In the five wins we had we defeated two of the largest schools on our schedule, Charlestown and Clarksville. We were competitive in almost all the games we played. Leading scorers were Tony Akers and Jerry Kirchgessner 14.6 and 15.4 points per game respectively. Leading rebounders were Jerry Kirchgessner and Frank Berryman.

With a lot of hard work over the summer the boys can be successful next year.

The Varsity Cheerleaders started the season off earlier than most teams by going to camp in July and participating in state competitions. They showed much enthusiasm with their cheers in pepping up the crowds and assisted in driving their teams to victory. Thanks to the Cheerleaders and their Sponsor Lynn Gray for the time and effort put forth.

The Cheerleading Team sponsored by Lynn Gray included Michelle Green, Linda Nett, Dana Temple, Jill Smith, and Kelly Kruer.

Girls Varsity Track Team

Displays a Lot of Class!

The Girls Varsity Track Team was small in numbers but mighty in dedication and enthusiasm. Everyone had a successful season in their own individual events and improved greatly as the year went on.

The 1985 Sectional qualifiers were 1600m relay Sophomore Linda Nett, Freshman Candice Pennington, Senior Theresa Book and Senior Leslie Stark, who also qualified in the 800m and 1600m runs.

Leslie Stark Goes to State Finals

Leslie (Lester) Stark has had an outstanding running career at BHS. In running distance for the past six years, she has set many records all over the area bringing her scholarship offers from major schools around the country. She holds school records in the 400m, 800m, 1600m runs and was on the 1600m Relay team. She also holds two records (SAC) in the 800m and 1600m runs where she has been reigning champion and a member of the All-Conference Team for the past three years. Leslie has earned many school awards in track: four varsity letters, three MVP's, two distance awards, State Finalist Award, and Senior Appreciation.

Leslie has competed in Sectional and Regional all four years and has made it to the State Finals for three years. She also holds the Sectional Championship for two years in the 1600m and the 800m.

The Elementary is Making Changes

The Borden Elementary School has went through many changes this year. The school added a new teacher to the administration, but as well gained a new principal and secretary. The principal, Mr. Wayne Hobbs, and secretary, Mrs. Triva Martin, have worked hard to make progress for the school.

Mr. Hobbs isn't afraid of changes, he is willing to listen and try to do the best for the school. This year has went well for the elementary and hopefully this year's success will continue on to the coming years.

Hit Broadway!!

This year the fifth and fourth grade put on another spectacular show. The night started with a chili supper and the lobby contained the childrens' art work. Later the show was on, and boy were they great! A lot of hard work was done behind the stage as well. We would like to give a special thanks to Mr. Graninger for staging, Mr. Ball for sound and lighting, Mrs. Thomas for piano accompaniment, and all who made this play and art exhibit a wonderful success.

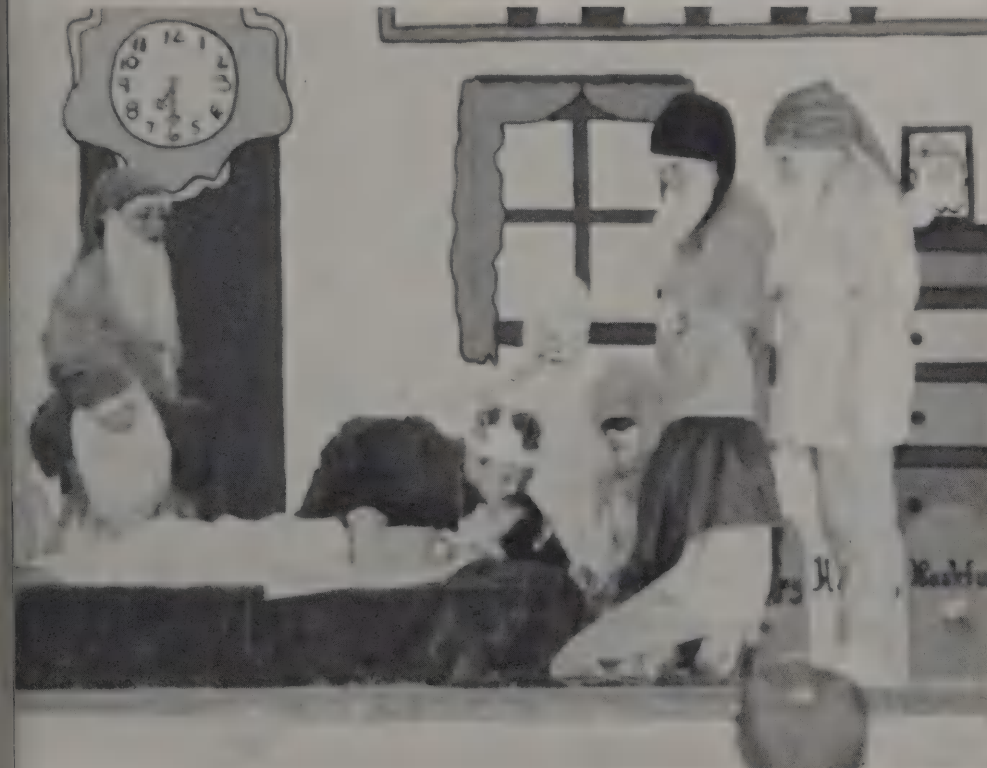

(left top) Here are shown the boys who moved props: Scott Graf, Donald Pfister, Richie Myers, Billy Jackson.

(left bottom) The prince tries to awake Snow White as the Dwarfs watch.

(below) We would like to give recognition to Billy Jackson who won national patriotic poster first place.

An abstract geometric design featuring a central dark circle with a white border. The word "SPONSORS" is written in white, stylized, uppercase letters inside the circle. The circle is set against a dark rectangular background. Above and below this background are light gray rectangular areas. A vertical film strip, represented by a black line with white sprocket holes, runs through the center of the composition, passing behind the central circle and the dark background. The film strip has four rectangular frames visible, each containing a light gray square. The overall design is minimalist and modern.

Farewell to BHS

The time has come,
we must say good bye.

Some eyes will sparkle,
then again, some will cry.

It's going to be hard, as we all know,
to release the security and just let go.

So say good bye to ole BHS,
it wasn't so bad—the memories are the best!

We'll never forget you, we'll hold you dear,
for we've lived here and laughed here,
but most of all—we really loved it here!

Thanks for the memories,
Michelle Green
Missy Swafford

Susan:

Well, we've made it... this is our senior year! We can look back at all the stupid mistakes that we made and laugh now. When this year is over we'll all go our separate ways, and hopefully we'll all keep in touch. Do you remember the quip that we wouldn't touch with a ten-foot pole a few years back? Some of them aren't half bad now. I can think of at least two or three. Well, anyway, I can still remember my first BHS ~~boy~~ boyfriend (actually elem.)... Steve Morton. Oh well, that was so long ago!

We'll have to be sure and get together sometime after graduation... before I leave for college. Then again at class reunion time.

Keep in touch!
